The nature of the business to be transacted at the Meeting is described in further detail in the Circular under the section entitled *Matters to be Acted Upon*.

The record date for the determination of Shareholders entitled to receive notice of, and to vote at, the Meeting or any adjournments or postponements thereof is April 28, 2014 (the “**Record Date**”). Shareholders whose names have been entered in the register of Shareholders at the close of business on the Record Date will be entitled to receive notice of, and to vote, at the Meeting or any adjournment or postponement thereof.

Notice-and-Access

The Corporation is utilizing the notice-and-access model (“**Notice-and-Access**”) provided for under recent amendments to National Instrument 54-101 for the delivery of meeting materials to its shareholders for its Meeting of shareholders. Under Notice-and-Access, instead of receiving printed copies of the Corporation’s management information circular (“**Information Circular**”), financial statements for the years ended December 31, 2014 and December 31, 2013 and management’s discussion and analysis (collectively, the “**Meeting Materials**”), shareholders are receiving this notice with information on how they may access such Meeting Materials

electronically. However, together with this notice, shareholders continue to receive a proxy enabling them to vote at the Meeting. The Corporation has adopted this alternative means of delivery in order to further its commitment to environmental sustainability and to reduce its printing and mailing costs.

Accessing Meeting Materials Online

The Meeting Materials can be viewed online under the Corporation's profile at www.sedar.com, or www.tempuscapital.ca.

Requesting Printed Meeting Materials

Shareholders can request that printed copies of the Meeting Materials be sent to them by postal delivery at no cost to them up to one year from the date the Information Circular was filed on SEDAR. *Registered Shareholders* may make their request through Tempus's website, www.tempuscapital.ca, or by calling Tempus Capital Inc. at 289-288-0456.

To receive the Meeting Materials in advance of the proxy deposit date and Meeting Date, requests for printed copies must be received at least five business days in advance of the proxy deposit date and time set out in the accompanying proxy or voting instruction form.

Stratification

Tempus will not use procedures known as "stratification" in relation to the use of Notice-and-Access model. Stratification occurs when a reporting issuer using the Notice-and-Access model provides a paper copy of the Circular to some Shareholders with this package. In relation to the Meeting, all Shareholders will receive the required documentation under the Notice-and-Access model, which will not include a paper copy of the Circular.

Voting Process

Registered Shareholders at the close of business on April 28, 2015 may vote in person at the Meeting or by proxy as follows:

By mail: Complete the form of proxy and return it in the envelope provided. If you return your proxy by mail, you can appoint another person, who need not be a shareholder, to represent you at the Meeting by inserting such person's name in the blank space provided in the form of proxy. Complete your voting instructions and date and sign the form. Make sure that the person you appoint is aware that he or she has been appointed, and attends the Meeting.

By fax: Complete the form of proxy and fax it to 905-681-3648.

The deadline for receiving duly completed and executed forms of proxy is by 2:00 pm (Eastern Daylight Time) on May 26, 2015, or no later than 48 hours (excluding Saturdays, Sundays and holidays) before the time of any adjourned or postponed Meeting.

SOLICITATION OF PROXIES

THIS INFORMATION CIRCULAR IS FURNISHED IN CONNECTION WITH THE SOLICITATION BY THE MANAGEMENT OF TEMPUS CAPITAL INC. (the “**Corporation**”) of proxies to be used at an Annual and Special Meeting of Shareholders of the Corporation (the “**Meeting**”) to be held at 855 Brant Street, Burlington, Ontario L7R 2J6 on May 28, 2015 at 2:00 o'clock in the afternoon (Toronto time) and at any adjournment thereof for the purposes set forth in the enclosed Notice of Meeting. Proxies will be solicited primarily by mail and may also be solicited personally or by telephone by the directors and/or officers of the Corporation at nominal cost. The cost of solicitation by management will be borne by the Corporation.

The Corporation may pay the reasonable costs incurred by persons who are the registered but not the beneficial owners of voting shares of the Corporation (such as brokers, dealers, other registrants under applicable securities laws, nominees and/or custodians) in sending or delivering copies of this Information Circular, the Notice of Meeting and Proxy to the beneficial owners of such shares. The Corporation will provide, without cost to such persons, upon request to the Secretary of the Corporation, additional copies of the foregoing documents required for that purpose.

APPOINTMENT AND REVOCATION OF PROXIES

The persons named in the enclosed Proxy represent management of the Corporation. **A SHAREHOLDER DESIRING TO APPOINT SOME OTHER PERSON TO REPRESENT HIM OR HER AT THE MEETING MAY DO SO** by filling in the name of such person in the blank space provided in the Proxy or by completing another proper form of Proxy.

A SHAREHOLDER WISHING TO BE REPRESENTED BY PROXY AT THE MEETING or any adjournment thereof must, in all cases, deposit the completed Proxy with the Corporation 855 Brant Street, Burlington, Ontario, L7R 2J6, not later than forty-eight hours prior to the day of the Meeting or any adjournment thereof at which the Proxy is to be used, or deliver it to the Chairman of the Meeting on the day of the Meeting or any adjournment thereof prior to the time of voting. A Proxy should be executed by the shareholder or his or her attorney duly authorized in writing or, if the shareholder is a corporation, by an officer or attorney thereof duly authorized.

In addition to any other manner permitted by law, a Proxy may be revoked before it is exercised by instrument in writing executed in the same manner as the Proxy and deposited at the registered office of the Corporation at any time up to and including the close of business on the last business day preceding the day of the Meeting, or any adjournment thereof, at which the Proxy is to be used or with the Chairman of the Meeting on the day of the Meeting or any adjournment thereof and thereupon the Proxy is revoked.

A SHAREHOLDER ATTENDING THE MEETING HAS THE RIGHT TO VOTE IN PERSON, and, if he or she does so, his or her Proxy is nullified with respect to the matters such person votes upon and any subsequent matters thereafter to be voted upon at the Meeting or adjournment thereof. Only registered shareholders can vote at the meeting and most shareholders of the Corporation are not registered but are beneficial holders and the following section is applicable to those shareholders.

ADVICE TO BENEFICIAL SHAREHOLDERS

The information set forth in this section is of significant importance to a number of Shareholders who do not hold their shares in their own name (referred to in this section as “Beneficial Shareholders”). Beneficial Shareholders should note that only proxies deposited by shareholders whose names appear on the records of the Corporation as the registered holders of shares can be recognized and acted upon at the Meeting. If shares are listed in an account statement provided to a shareholder by a broker, then in almost all cases those shares will not be registered in such shareholder's name on the records of the Corporation. Such shares will more likely be registered under the name of the shareholder's broker or an agent of that broker. Shares held by brokers or their nominees can only be voted for or against resolutions upon the instructions of the Beneficial Shareholder. Without specific instructions, brokers/nominees are prohibited from voting shares for their clients.

Applicable regulatory policy requires intermediaries/brokers to seek voting instructions from Beneficial Shareholders in advance of shareholders meetings. **Every intermediary/broker has its own mailing procedures and provides its own return instructions, which should be carefully followed by Beneficial Shareholders in order to ensure that their shares are voted at the Meeting.** Often the form of proxy supplied to a Beneficial Shareholder by its broker is identical to the form of proxy provided by the Corporation to the registered shareholders. However, its purpose is limited to instructing the registered shareholder how to vote on behalf of the Beneficial Shareholder. All references to shareholders in this Information Circular and the accompanying form of Proxy and Notice of Meeting are to shareholders of record unless specifically stated otherwise.

EXERCISE OF DISCRETION BY PROXIES

The shares represented by Proxies in favour of management nominees will be voted with respect to any matter in accordance with the instructions of the shareholder. **WHERE NO INSTRUCTIONS ARE PROVIDED, THE PROXY WILL CONFER DISCRETIONARY AUTHORITY AND WILL BE VOTED FOR MANAGEMENT'S PROPOSAL AS STATED UNDER THE HEADINGS RELATING TO THESE MATTERS IN THIS INFORMATION CIRCULAR. THE ENCLOSED FORM OF PROXY ALSO CONFERS DISCRETIONARY AUTHORITY UPON THE PERSONS NAMED THEREIN TO VOTE WITH RESPECT TO ANY AMENDMENTS OR VARIATIONS TO THE MATTERS IDENTIFIED IN THE NOTICE OF MEETING AND WITH RESPECT TO OTHER MATTERS WHICH MAY PROPERLY COME BEFORE THE MEETING IN SUCH MANNER AS SUCH NOMINEE IN HIS OR HER JUDGMENT MAY DETERMINE.** At the date of this Information Circular, the management of the Corporation knows of no such amendments, variations or other matters to come before the Meeting.

NOTICE-AND-ACCESS

As noted above, the Corporation is utilizing the Notice-and-Access model that came into effect on February 11, 2013 under NI 54-101 and NI 51-102 for distribution of this Circular to all registered Shareholders and Non-Registered Shareholders.

The Notice-and-Access model includes a new set of rules that allows reporting issuers to post electronic versions of proxy-related materials (such as proxy circulars and annual financial

statements) on-line, via the System for Electronic Document Analysis and Retrieval (“**SEDAR**”) and one other website, rather than mailing paper copies of such materials to Shareholders. Electronic copies of the Circular, financial statements of the Corporation for the years ended December 31, 2014 and December 31, 2013 (“**Financial Statements**”) and management’s discussion and analysis of the Corporation’s results of operations and financial condition for 2014 and 2013 (“**MD&A**”) may be found on the Corporation’s SEDAR profile at www.sedar.com and also on the Corporation’s website at www.tempuscapital.ca under News. The Corporation will not use procedures known as “stratification” in relation to the use of Notice-and-Access Provisions. Stratification occurs when a reporting issuer using the Notice-and-Access Provisions provides a paper copy of this Circular to some Shareholders with the notice package. In relation to the Meeting, all Shareholders will receive the required documentation under the Notice-and-Access Provisions, which will not include a paper copy of this Circular. **SHAREHOLDERS ARE REMINDED TO REVIEW THIS CIRCULAR BEFORE VOTING.**

Although this Circular, the Financial Statements and the MD&A will be posted electronically on-line as noted above, Shareholders will receive paper copies of a “notice package” via mail containing the Notice with information prescribed by NI 54-101 and NI 51-102, a form of proxy and supplemental mail list return card for Shareholders to request they be included in the Corporation’s supplementary mailing list for receipt of the Corporation’s financial statements for the 2015 fiscal year.

The Corporation anticipates that notice-and-access will directly benefit the Corporation through a substantial reduction in both postage and material costs, and also promote environmental responsibility by decreasing the large volume of paper documents generated by printing proxy-related materials.

Shareholders with questions about notice-and-access can call the Corporation 1-289-288-0456. Shareholders may also obtain paper copies of this Circular, the Financial Statements and the MD&A free of charge by contacting the Corporation at the same number or upon request to the Corporate Secretary of the Corporation.

A request for paper copies which are required in advance of the Meeting should be sent so that they are received by the Corporation by Monday, May 18, 2015 in order to allow sufficient time for Shareholders to receive their paper copies and to return their form of proxy to the Corporation by its due date.

The management designees, if named as proxy, intend to vote the Common Shares represented by any such proxy FOR the appointment of Grant Thornton LLP, Chartered Professional Accountants, as auditors of the Corporation at a remuneration to be fixed by the board of directors, unless a shareholder of the Corporation has specified in the shareholder's proxy that the shareholder's shares are to be withheld from voting on the election of auditors.

IV. Approval of Stock Option Plan

It is the policy of the TSX Venture Exchange ("TSXV") that all listed corporations obtain shareholder approval yearly of their stock option plan if, as with the Corporation, such a plan is a "rolling plan". Rolling plans provide that the aggregate number of common shares issuable upon exercise of options granted thereunder shall not exceed a maximum percentage of the total number of outstanding common shares at the time the options are granted. In accordance with this policy, shareholders are being asked to consider and, if deemed advisable, approve the Corporation's Plan. The Plan was first approved by shareholders by written resolution on April 1, 2013.

The Plan provides that the board of directors of the Corporation may from time to time, in its discretion, grant to directors, officers, employees and consultants of the Corporation, or any subsidiary of the Corporation, the option to purchase Common Shares. The Plan provides for a floating maximum limit of 10% of the outstanding Common Shares, as permitted by the Policies of the TSXV. This represents 2,487,188 Common Shares as at the date hereof available under the Plan. Options to purchase a total of 890,000 Common Shares have been issued to directors, officers and consultants of the Corporation and remain outstanding. Under the Plan, the number of Common Shares reserved for any one person may not exceed 5% of the outstanding Common Shares. The board of directors determines the price per Common Share and the number of Common Shares that may be allotted to each director, officer, employee and consultant and all other terms and conditions of the options, subject to the rules of the TSXV. The exercise price per Common Share set by the directors is subject to minimum pricing restrictions set by the TSXV.

Options may be exercisable for up to five years from the date of grant, but the board of directors has the discretion to grant options that are exercisable for a shorter period. Options under the Plan are non-assignable. If prior to the exercise of an option, the holder ceases to be a director, officer, employee or consultant, the option shall be limited to the number of Common Shares purchasable by him immediately prior to the time of his cessation of office or employment and he shall have no right to purchase any other common shares. Options must be exercised within 90 days of termination of employment or cessation of position with the Corporation, although if the cessation of office, directorship, consulting arrangement or employment was by reason of death or disability, the option must be exercised within one year, subject to the expiry date.

The reconfirmation of the Plan by Shareholders requires a favourable vote of a majority of the Common Shares voted in respect thereof at the Meeting. The TSXV requires such approval before it will allow additional grants of options under the Plan.

It is the intention of the persons named in the enclosed Instrument of Proxy, if not expressly directed otherwise in such Instrument of Proxy, to vote such proxies FOR the ordinary resolution to approve the Plan.

A copy of the Plan is available for review at the offices of the Corporation during normal business hours up to and including the day of the Meeting.

The text of the ordinary resolution regarding this matter is as follows:

BE IT RESOLVED THAT:

IT IS INTENDED THAT THE COMMON SHARES REPRESENTED BY PROXIES IN FAVOUR OF MANAGEMENT NOMINEES WILL BE VOTED FOR SUCH RESOLUTION.

V. Approve the Issue of Common Shares in Excess of 25% of Existing Number of Common Shares Outstanding

The board of directors of the Corporation have adopted a growth plan for the Corporation and the implementation of the plan may require the Corporation to raise equity capital through the issue of Common Shares. The quantum of such capital is currently being determined by management and may require the issuance of a number of common shares that exceeds 25% of the then outstanding number of Common Shares of the Corporation.

The text of the ordinary resolution regarding this matter is as follows:

EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

Introduction

This compensation discussion and analysis (“**CD&A**”) provides an overview of the Corporation’s executive compensation program together with a description of the material factors underlying the decisions which resulted in the compensation to the Corporation’s President & Chief Executive Officer (“**CEO**”), Chief Financial Officer (“**CFO**”) and any other named executive officers (“**NEOs**”), as defined in National Instrument 51-102 – *Continuous Disclosure Obligations* (“**NI 51-102**”), as presented in the tables which follow this CD&A. This CD&A contains statements regarding future individual and Corporation performance targets and goals. These target and goals are disclosed in the limited context of the Corporation’s compensation programs and should not be understood to be statements of management’s expectations or estimates of financial results or other guidance. Management of the Corporation specifically cautions investors not to apply these statements to other contexts.

The Board has overall responsibility for determining and implementing the Corporation’s philosophy with respect to executive compensation. The Board makes all compensation decisions for the NEOs. Decisions regarding the compensation of other employees are made by the CEO. The Corporation does not use benchmarking in determining executive compensation. The Corporation has not retained compensation consultants to advise on executive compensation.

Compensation Philosophy and Objectives

The executive compensation program is designed to encourage, compensate and reward senior management of the Corporation on the basis of individual and corporate performance, both in the short term and the long term, while at the same time being mindful of the responsibility that the Corporation has to its shareholders. The Board reviews the proxy materials of companies they consider to be peers of the Corporation in the mining industry to get a sense of the compensation paid by such companies to their NEO's and thereby the current marketplace norms for such compensation. The Board uses their own experience and familiarity with the industry and the activities of companies within it to determine those companies that they believe are the peers to the Corporation. The companies considered to be peers of the Corporation can vary from year to year, depending primarily upon the activities of companies in the industry, their respective projects and their exploration successes (or lack thereof).

The Corporation has reserved 890,000 Common Shares in relation to the options to be granted to its current and former directors, officers and advisors to subscribe for Common Shares of the Corporation pursuant to the Plan. See "Securities for Issuance under Equity Compensation Plans".

Equity Requirements

The Corporation currently does not require directors or executives to own a particular amount of Common Shares. The Board is satisfied that stock and option holdings among the directors and officers are sufficient at this time to provide motivation and to align this group's interests with those of Common Share holders.

Components of Executive Compensation

The Corporation pays compensation to its directors and officers pursuant to a compensation program designed to attract, motivate, reward and retain the personnel required to achieve the Corporation's business goals and objectives.

Option-Based Awards

All option-based awards to executives are made pursuant to the provisions of the Plan. The Board makes all decisions regarding awards to NEOs. Decisions regarding awards to other employees and consultants or amendments to the Plan are made by the CEO in consultation with the Board. In all cases, decisions regarding option-based awards take into account any previous grants of option-based awards to the individuals concerned that may have occurred.

Summary Compensation Table

The following table illustrates the compensation the Corporation paid to NEOs of the Corporation for the fiscal years ended December 31, 2012, 2013 and 2014:
